Automatic Ice Maker

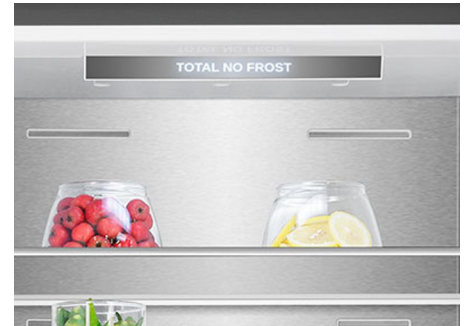

The automatic ice maker provides ice on demand whenever you need it — perfect for chilling drinks or keeping foods cold at a moment's notice.

Internal Water Dispenser

Convenient cool, filtered water right from the refrigerator internal dispenser, while allowing for a clean exterior look.

Frost-Free Cooling

The Total No-Frost cooling system circulates cold air throughout the refrigerator and freezer compartments, helping prevent frost buildup and eliminating the need for manual defrosting.

Digital Touch Control

User-friendly touch controls sit atop the fridge cabinet for simple operation, positioned out of young children's easy reach to prevent unintended setting adjustments.

Customizable Storage System

Equipped with 1 full-width plus 2 half-width adjustable glass shelves, enabling flexible fridge storage layout to neatly arrange groceries of varying sizes and maximize interior space utilization.

Full-Width Soft-Close Chiller Zone

Large full-width chilled compartment fitted with soft-close damping, perfectly tailored for meat, fish, dairy and beverages; stable cooling retains food freshness while enabling neat centralized cold storage.
