5 Radiant Elements

Verona Ultima series 36 inch electric range with 5 radiant elements that goes up to 2100 cooking watts.

See-Through Triple Pane Glass Door

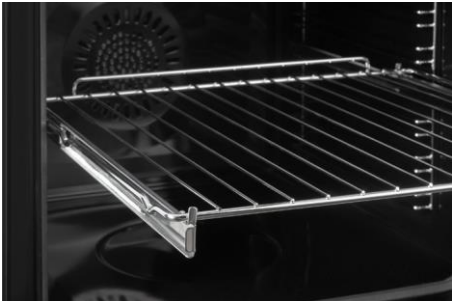

Makes your dishes easy to view, while glass panes are still easy to remove for cleaning purposes.

Door with Soft Close Hinges

The door hinges are fitted with a shock absorber that makes closure more gradual and noiseless.

Telescopic Sliding Guides

Put in and take out heavy dishware with ease, as the sliding guides allow for hassle-free cooking.

Touch Control Clock

Touch controls make setting timers and preheating your oven a breeze with intelligent design.

Metalic Telescopic Cylinder Legs

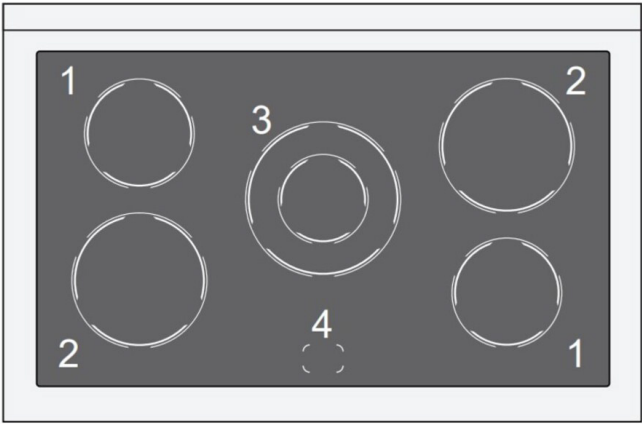

Telescopic adjustable feet allow you to customize the height of your new range for maximum comfort while cooking.
