All Brass Burners

Durable and efficient brass burners provide superior heat distribution and long-lasting performance.

Door With Soft Close Hinges

The door hinges are fitted with a shock absorber that makes closure more gradual and noiseless.

Telescopic Sliding Guides

Put in and take out heavy dishware with ease, as the sliding guides allow for hassle-free cooking.

See-Through Triple Pane Glass Door

Makes your dishes easy to view, while glass panes are still easy to remove for cleaning purposes.

Analog Temperature Indicator

Analog thermostat allows for feedback on the internal temperature of your oven.

Metallic Telescopic Cylinder Legs

Telescopic adjustable feet allow you to customize the height of your new range for maximum comfort while cooking.
