7 Induction Zones with Griddle Included

Its induction elements ensure superior heat distribution and quick heating/boiling power.

Door with Soft Close Hinges

The door hinges are fitted with a shock absorber that makes closure more gradual and noiseless.

Telescopic Sliding Guides

Put in and take out heavy dishware with ease, as the sliding guides allow for hassle-free cooking.

See-Through Triple Pane Glass Door

Makes your dishes easy to view, while glass panes are still easy to remove for cleaning purposes.

Touch Control Clock

Touch controls make setting timers and preheating your oven a breeze with intelligent design.

Metallic Telescopic Cylinder Legs

Telescopic adjustable feet allow you to customize the height of your new range for maximum comfort while cooking.

Ultima 48" Double Oven Induction Range
